

BOARD NOTES

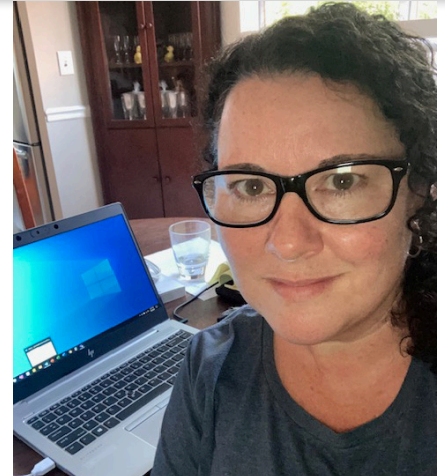

By: Penny Brink
Secretary

Moving into the dog days of summer, Springboard Landings has been keeping busy with virtual meetings and events to bring us ever closer to fulfilling our mission. These months of precaution to prevent the spread of COVID-19 really highlight the importance of providing adults with mild developmental challenges a safe space to live independently within a supportive community. Many adults with mild developmental disabilities also have autoimmune conditions that put them at higher risk for complications from viruses. Springboard Landings will help Landers get through unusual circumstances surrounded by friends in a loving environment while also ensuring their safety needs are being met.

In May, we participated in the Big Payback. We were unsure that we could even match last year's success with so much happening in the world and so many needs to be met, both locally and globally. But we had our most successful year and are humbled by the outpouring of generosity we have seen not only for Springboard Landings, but also for so many other local charities during these times.

The Land Committee is focusing on finalizing the sale of the Murfreesboro property, and we have some very good leads on possible sites for our flagship building.

Our Events Committee is working on plans for some innovative, social-distancing-friendly opportunities that promise to be fun and entertaining. Keep an eye out for more information on that! Most of all, we wish you, your families and friends the best of health.

A WORD FROM OUR FOUNDERS

By: Pat and Charlie Cooper

Patience, Perseverance, Endurance

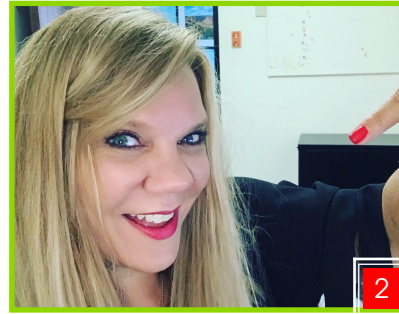

Are you as Covid-weary as we are? Looks like we're in it for the long haul! With patience, perseverance, and endurance, we'll get through this together.

You, our family, friends, donors and prayer partners have lived those three words with us during our continuing journey with Springboard Landings. Thank you for your encouragement and support especially now during this unprecedented time. Because of you we are getting so much closer to embracing our first "Landers".

Romans 12:12: Rejoice in hope, endure in affliction, persevere in prayer.

SPRINGBOARD LANDINGS MESSENGER

SPRINGBOARD SPOTLIGHT

THE BIG PAYBACK

24-Hours of The Big Payback is in the record books. Not only was it our best fundraising campaign to date, it was the first time we had Springboard Landings social media ambassadors from across the country helping us post simultaneously during the campaign. Thank you for your time, your patience and your posts – you were the reason we rocked it this year.

- 1 – John Cooper Live on Facebook for winning the first Power Hour in the Big Payback
- 2 – Alyson Krawchuk from Palmerton, PA
- 3 – Jeff Doremus and Winston from Nashville, TN
- 4 – Carole Mafrige of Houston, Texas
